Nancy and Dan- Is there a PADs only call tomorrow? If so, could we get some more clarification on the requests Jim O'Hara made to our RAs for developing communication strategies for upcoming policy issues in FY 13? Is there a threshold or are there criteria for which issues should be nominated like national or regional, precedent-setting, only new issues vs a Libby, Pavillion comm strat update, etc. We have a couple in mind but want to be consistent with other submissions.

Maybe best raised on the PAD/ Comm Directors call but thought I'd ask for your thoughts first.
